I don't know. I can ask Jose. At the end of his update, where he gives the link to the folder with all of the information they sifted from your email, Jose says:

Jeanne/Anne - if you want Janice down here to take a look, she can sift through these and narrow further.

I was just checking that there wasn't somebody else working on this.

Thanks

Claudia

Hi Ann and Jeanne.

I've completed my search, finally.

For 1849, "Requesting all communications and records of all meetings between Chesapeake Energy and the EPA relating to the EPA Hydraulic fracturing water study for the time period of March 1, 2010 to August 16, 2012" I did the following:

- Full search of all documents between 3/1/2010 and 8/16/2012 that had the word "Chesapeake" anywhere.
- Only flagged those that were from Jeanne to a person at Chesapeake, or vice versa. (Timmermeyer, Hagemeyer, Satterfield, and Chris Hill).
- Printed all correspondence to PDF and saved all attachments.

The results are found here:

O:\ORD Short Term (30 day) Network Storage\FOIA\1849

For 1479, "details on all meetings (dates, agendas, minutes) and correspondence (emails, calls, letters, and all other forms) between EPA and the following: the American Petroleum Institute (API), BP, ExxonMobil, Chesapeake Energy, Chevron, and any other oil and gas industry representative, as well as the Council on Environmental Quality, the Department of Energy, and the Domestic Policy Council of the Whitehouse, regarding EPA's Hydraulic Fracturing Study conducted by Jeanne Briskin", April 30, 2012 through June 1, 2012

I search one by one through the outbox and inbox, for those dates only, for correspondence from or to Jeanne from anyone outside of EPA from the groups mentioned above.

- Printed to PDF
- Saved attachments.

The results are found here:

O:\ORD Short Term (30 day) Network Storage\FOIA\1479

Jeanne/Anne - if you want Janice down here to take a look, she can sift through these and narrow further.

I'll keep working on OA.

Best,

jose
